Come and Sit a Spell

While our building may be closed to the public, you can sit outside in our new chairs and enjoy the fresh air among the flowers. Thank you Ann-Marie Esposito for submitting a grant application and to the Newfield Community Council for awarding the funds for this great addition! You can also connect to the library's free wi-fi (the info is on the window.) And while you're there, take a peek at our window display full of new items and a few other surprises.

Speedy Delivery

Starting **Monday, July 20**, the Finger Lakes Library System starts up their delivery service again. This means you can place holds on items from other FLLS member libraries for curbside pickup here at the Newfield Public Library.

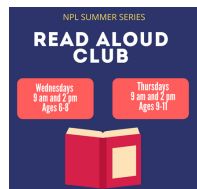

Returning Items

Thank you for being so thoughtful about returning items (especially new books and DVDs) in a timely manner. This allows more folks to enjoy that new best-seller sooner as we have to quarantine all library materials for a minimum of 72 hours before they are available.

This is also the reason why you may have noticed that items you returned still show up on your patron account. Library staff cannot check-in items until the 3 day quarantine has passed.
