	Aug 30	Aug 31 <i>Grand Finale Event!</i>			

## Welcome to the Newfield Public Library Summer Series!

We hope you can join us this summer for some fun, exploring, reading, and more for all ages! Below is a summary of what we have in store for specific age groups as well as a very full 8 week schedule. Most sessions will be online via Zoom and we are hoping to transition some to in-person and add some events if restrictions are lifted. Check out our website or contact us for updates!

The theme is “Imagine Your Story” and we have designed the program into four 2-week segments that will focus on four subjects: biographies, animals, heroes, and friendship. Participants can pick up a take-home “kit” every 2 weeks that will include related books and activities. All participants are eligible to win prizes! Once registered, you can earn points by recording your reading progress, attending events, and completing activities. The more points you earn the more chances you have to win! Everyone has the same goal of reaching 1000 points by the end of August. One point is equal to one page or minute of reading activity. We can do it! All reading counts including recipes, magazines, and newspapers.

We are using an application called READSquared for participants to register, log their reading progress, play games, accomplish missions, review books, and more. It is not required but we hope you check it out!

### Children up to 5 years old

Join Miss Sue and friends for Family Storytime every Monday at 5:30 pm or Tuesday at 10:30 am. We read stories, sing and other fun activities! Receive 50 points for attending!

### Ages 6-8 Read Aloud Club

Join Miss Lisa every Wednesday at 9:00 am or 2:00 pm to read stories, play games, and explore other fun activities! Receive 50 points for attending!

### Ages 9-11 Read Aloud Club

Join Miss Lisa every Thursday at 9:00 am or 2:00 pm to read stories, play games, and explore other fun activities! Receive 50 points for attending!

### Ages 12-17 YA Zoom Room

Stop by Heidi’s YA Zoom Room every Wednesday at 3:30 to be seen, be heard and be inspired. Whether it’s playing games, telling stories, or creating something we’ll let our curiosity be our guide. Receive 50 points for attending!

### News Crew

Join Heidi to explore your creative side and learn what it takes to keep the community informed! The News Crew is a group of young adults that like to create. Each week they will interview participants, take photos, and report back on what they learn.

### Adults (18+)

As a follow-up to Puppet Palooza, a puppet-making workshop is available for 10 adults. Register soon! We also have two game nights scheduled when we will play Pictionary via Zoom. Two Tech Nights are where attendees can learn more about technology and sharpen their skills. Our Adult Meetup is a discussion group that meets online every Thursday morning at 10:30. It is a lot of fun so join us! Also, we hope participants use READSquared to review books and start discussions. Oh, and Music in the Park is scheduled to run 3 events starting July 29!

### There are 3 ways to register.

1. Use the [READSquared website](#) or mobile app (see [instructions](#) on our website). Parents should register first then add each child. Once you get logged in check out the fun games, missions, and start logging your reading!
2. Email the name and age group for each family member to [newfieldlibrary@gmail.com](mailto:newfieldlibrary@gmail.com).
3. Call the library at 607-564-3594 and provide the name and age group for each family member that wants to participate as well as one phone number or email address.
