This last year has been enlightening and many of us have re-evaluated our needs and priorities. Let's get together to share our thoughts and ideas about our community.

PLANTING KITS

It's planting time! April showers bring...who knows what kinds of flowers?! Our library Planting Kits are a bit of a mystery. Pick one up at the library while they last and see what grows. Take a guess at what type of flower you are growing and be entered in a drawing for a bag of goodies. Share your plant stories in photos and poems.

April is Citizen Science Month, Poetry Month, and Earth Day is on April 22. And this take-home kit covers it all!
