## I LOVE MY PARK

Our rural library is nestled in nature. The town of Newfield is home to the Arnot Forest, Newfield State Forest, and Connecticut Hill. We have easy access to Treman and Buttermilk Falls State Parks. And don't forget about that gem, Mill Park, just down the street from us! What's your favorite local nature spot?

I Love My Park Day, held the first Saturday in May, attracts thousands of volunteers from across the state to participate in cleanup, improvement, and beautification events at New York State parks and historic sites. Some of us are volunteering to work at Treman on Saturday, May 1 and Sunday, May 2. Hope to see you there!

## PARK PASSES

Did you know that you could check out a NYS Empire Pass from the library? It allows your family into any NYS park for free which is a savings of \$6-\$10! You can also borrow a pass that works at the Museum of the Earth, Paleontological Research Institute, and Cayuga Nature Center. Give us a call to reserve one!

## COMMUNITY CHECK-INS

The library invites the entire community to participate in a survey to help us understand what kinds of programs, events, and resources our community wants and needs. You can complete it [online](#), pick one up at the library, or [sign up](#) to meet with us in person at the History and Activity Center. Your input is very important to us!
