

1, Your sloping roof and decorations are so charming and inviting. Such a fun house!

2, This tiny house with lots of circular decorations is whimsical and delightful.

3. The creative decorations make this house look fun and inviting. So colorful!

4. Your use of decorations, especially with the colorful roof and the holiday decorations made us smile.

5. Best In Show Winner! Your birdhouse with attention to details, including the heart, the bird, and the candy plate are delightful.

6. Best Of Heart Winner: The colorful cat playground with the cats and the fish is delightful. This is filled with whimsy and delight. You captured the heart of the theme.

7. Honorable Mention: The campsite with the candy fire, RV, and trees is an amazing way to capture the theme. Great job!

8. The tree and fireplace and the living room with people enjoying the room are cozy and creative. You show the theme and what is important to you.

9. Creative use of the materials to create a lovely Holiday house. It's very charming.

10. The fire department is such a creative way to embrace the theme. Good job.

11. Beautiful work. We love the patterns on the roof. The candy windows are very impressive. Very creative work.

12. The use of the lilac color really brought charm to your creation. You have fun decorations.

13. The igloo with the children playing made us excited about winter and playing outside in the snow. This is a creative way to show the theme.

14. Your colorful house looks like so much fun! It made us excited for Christmas and the holidays.

15. Your use of patterns with the candy to create the features of the house made us smile. We love the snowman on the balcony.
